### OUR VISION

We believe God calls us into Christian community with the challenge to discern and act upon the ongoing revelation of God in our time and place.

We live out this vision by being a church rooted deeply in liturgical traditions, where intergenerational friendships are valued, all members can be known by name, open-mindedness is the basis of spiritual formation, resources are shared generously, and where hands-on service is crucial to our own discipleship and the mission of Christ in the world.

We celebrate this vision through the intimacy of a loving congregation, the strength of Baptist freedoms, and the reach of an ecumenical and inclusive spirit.
