In the Sanctuary

of

Northside Drive Baptist Church

3100 Northside Drive

Atlanta, GA 30305

Wednesdays: July 8th and 22nd at 12:00 Noon

Come listen - live - to the magnificent Schantz pipe organ within the faceted glass windowed Sanctuary of Northside Drive Baptist Church, as Melinda Clark plays a variety of music written for the organ. Listeners will recognize old, familiar tunes; and perhaps discover a new song or two.

This musical offering will be a blessing of sound and sight, as we all search for safe ways to experience God's continuous blessings.

Please note that due to concerns about the coronavirus, public health safeguards will be followed: Masks are mandatory, hand sanitizers will be provided, and guests will observe social distancing protocols for seating and socializing.

You are invited.

COME and LISTEN and LEARN

as we experience

A GIFT OF MUSIC.

Outdoor Worship Service & Called Meeting of Church-in-Conference

Our church staff is planning an outdoor worship service on Sunday, July 26, 2020 for members who wish to attend. This service will begin at 10:00 a.m. and will be conducted on the lawn in front of the Sanctuary Building. After the service, we will hold a specially called meeting of the Church-in-Conference on the lawn at approximately 10:30 a.m. The purpose of the called meeting is to vote on the slate of church officers, deacons, committee members, and ministry teams proposed by the Nominating Committee for the 2020-2021 church year, which begins on August 1. We will circulate the Nominating Committee's report to church members next week.

[Freewheelin' Fridays @ NDBC](#)

Our first Freewheelin' Friday was so much fun, we're gonna do it again, TWICE: Friday, July 10 & Friday, July 24! Be sure to make plans to join us for all the FUN!

Bring the kids + their favorite set of wheels, and come spin with us on Freewheelin' Fridays! Masks, hand sanitizer & restrooms will be available for all. Social distancing will be observed. And FUN will be had!

This OUTDOOR event is BYO everything: wheels, water bottles, picnic lunches, blankets & chairs.

We will freewheel first, then picnic "together" as socially distanced family units. We'll even make time for a little kickball and a cool popsicle treat, too!

Hope you all can JOIN US next time!
